"FAIR DEALING!" And always will be. We say, without fear of successful contradiction, that we are prepared to furnish Goods to the People of Wood County TEN PERCENT., on the average, less than you can possibly buy them in Toledo.

WHY CAN THIS BE DONE? FIRST .- Because we do not pay from \$2,000 to \$3,000 rental for Store. SECOND.-We do not support a splendld mansion, gorgeously furnished, as a res

n \$3,000 to \$5,000 a year for each partner, as do Toledo

dence, at an expense of from \$3,000 to \$5,000 merchants. If you buy there you pay for it. THIRD —We are WORKING MEN, and help sell our Goods, making our running expenses in the Store about one fourth of those in Toledo doing like business. expenses in the Store about one-1 arth of those in Toledo doing like business.

FOURTH.—We do not pay thousands of dollars in interest for money to do our business, as do city merchahts, all of which has to be added to the cost of their Goods, and all who go there to buy help pay all this and much more. Farmers and laboring men, do you want to pay for all this glitter and show? We think not. If you will r. fl et and let reason have its sway you must a mit the force of our claim, that we can s. What will it profit the citizens of Wood County to pour their wealth into Lucas County when you can save money by buying at home, and at the same time help to build up flouri hing towns in your own County, thereby enriching it and adding to your own wealth by the increase of value to all realty in our County. We ask for the foregoing facts a careful consideration by all our citizens, and when you want to ony Goods come and see us, We will do you good and keep our pledge.
